PRESENTS THE

School & Daycare Management Solution

 **monday.com**

Keep a directory of all the parents and guardians in your program and connect the children to them.

You can even add additional children easily and quickly using the “Add a Child” button.

The screenshot shows a web application interface for managing 'Parents/Guardians'. At the top, there are navigation tabs for 'Main Table', 'Inquiry Form', and 'New Inquiries'. Below this is a toolbar with a 'New Campaign' button, a search bar, and options for 'Person', 'Filter', 'Sort', 'Hide', and 'Group by'. The main content area is divided into two sections: 'Current' (expanded) and 'Previous' (collapsed). The 'Current' section contains a table with the following columns: Campaign, Owner, Relationship to ..., Email, Phone, and Add a Child. Each row represents a parent or guardian, with a checkbox on the left and an 'Add a Child' button on the right. The 'Relationship to ...' column is color-coded: blue for 'Dad' and pink for 'Mom'. The 'Phone' column shows a US flag icon followed by the number '(925) 123-4567'. The 'Add a Child' column contains a blue button labeled 'Add a Child'. At the bottom of the 'Current' section, there is a '+ Add campaign' button. The 'Previous' section is partially visible at the bottom of the screenshot.
